

July 2, 2012 Letter to the Editor

Dear Editor,

This year, as in previous elections, we have a responsibility as county citizens to exercise our right to vote. Along with this responsibility comes another - being informed voters. Please educate yourself as to who is truly qualified to fill the role of Register of Deeds. Name recognition should not be your only deciding factor when voting.

There is a candidate running who has fought to keep the Register of Deeds, and has educated himself on the job he would be performing. This candidate is active in the community and in his church. There is only one truly qualified candidate. Please join me in supporting Paul DeYoung for Register of Deeds.
