

July 30, 2012 Letters to the Editor

Letter to the editor:

Please consider voting for Paul DeYoung for Register of Deeds on Tuesday, August 7th. Paul has attended training throughout the state and is the only candidate in this race that has met with area Register of Deeds to better understand how to run the office efficiently.

Paul plans to prepare the office for electronic recordings and transactions by updating technology in the office without adding additional cost to the taxpayers. Paul will also ensure that the confidentiality of the citizens of Van Buren County is never compromised.

Please help elect DeYoung on Tuesday, August 7th.

Voters of Van Buren County,

I have known Paul DeYoung for several years, in that time I have observed an honest, community-minded, hard working individual with a strong ethical background.

Paul is a loving husband & father.

Paul has taken steps on his own to explore and educate himself about the position, taking advantage of educational offerings, to better serve his community. Paul's plan includes:

- To prepare the office and update technology without adding additional cost to the taxpayer.
- By digitization of old records to ensure preservation, bringing more records to the customer's fingertips.
- Using cost-efficient technology.
- Providing convenience for customers and ensuring confidentiality.
- Making sure that the office keeps pace with the progress of other counties.

I believe in Paul, and I believe he will bring professionalism to the Register of Deeds. Visit Paul's website at VoteDeYoung.com.

Dear Editor:

Many claims have been made in the Register of Deeds race, and there is some confusion out there.

Paul DeYoung is the only candidate who is a businessman and specializes in electronic commerce. Paul is the only candidate who has attended two Michigan Register of Deeds Association educational conferences to learn the latest issues facing the Register of Deeds office.

Finally, Paul is the only candidate with a plan to implement customer-friendly solutions and truly bring the Register of Deeds office in to the 21st Century.

Paul is the only candidate with the experience and talent we need in the Register of Deeds office.

Please join me and vote for Paul De Young in the Primary Tuesday, Aug. 7.

Sincerely,

Sandra Hanson
