

Dear Van Buren County Voter,

Today, Friday May 4<sup>th</sup>, I have officially announced my candidacy for the Van Buren County Register of Deeds position. I wanted to take this opportunity to let you know personally and have enclosed a copy of my announcement.

Over the past 4 ½ years I have been deeply involved in learning the function of the Register of Deeds office. I have visited the offices and met with just about every Register of Deeds in Southwest Michigan. Through the educational conferences I have attended and these experiences I believe that I can enhance the Van Buren Register's office operation.

As you can see from my announcement, this race is about preserving our county's heritage and moving Van Buren into the digital age so we can be more competitive, transparent, and more convenient for everyone to do business with our county.

I hope you will take this opportunity to visit my website and learn more about me and my plan for the Register of Deeds office.

Over the course of this campaign I will work every day to earn your confidence, support and vote on August 7<sup>th</sup>. It would truly be an honor to serve you as the Van Buren County Register of Deeds.

Thank you for your consideration.

Sincerely,

Paul DeYoung
