

Thank You!

I want to take this opportunity to thank all my friends, supporters, and everyone that voted for me in the August 7th primary election. On this journey I have met so many wonderful people in Van Buren County.

I want to especially thank everyone that contributed to my campaign by providing sign locations, writing letters of support, joining me in parades, going door to door, and contributing to my campaign financially.

To all of you I extend my heartfelt gratitude.
